INTERIOR

# vista VINYL SLIDING WINDOW

Performance and value meet with creative, contemporary slider design. Both horizontal and vertical slider configurations utilize our signature low-profile frame, offering a greater area of glass, increasing light filtration and view area. The performance of the **Vista Collection Window** is further enhanced with a reinforced frame, interlocking T-bar and a uniquely designed double weather seal that keeps the cold out and the heat in. Vista sliders windows are easy to open, easy to clean and provide maximum ventilation. A secure locking system, reinforced with metal, ensures added peace of mind and consistent performance.

1. Double weather seal
2. Fusion welded frame & sash
3. S-channel interlock
4. 4 Torlon rollers
5. Triseal Super Spacer
6. Canadian u-PVC (Vinyl)
7. Metal reinforcing
